

ODE ITC Training

June 2015

The Usual Reminders

- Cannot answer all questions today
- May need to defer some questions to helpdesk
- As always, manual sections posted after this training prevail in a conflict between this presentation and the manual

Topics

- SCR Conflicts
- ► FTE Detail Report
- HQT Report
- ►CTE Report
- Invalid Cert Report
- ►TGRG, K3 Measure, and Retention

SCR CONFLICTS

General Rules

► All reporting entities submit to SCR

- Checks are performed on all active records in latest submission where
 - Received From IRN is not equal to the Reporting IRN or is '999999'
 - Sent to IRN is not equal to the Reporting IRN or is '999999
- Checks ignore records when Withdrawal Reason is '81'

SCR Overlapping Enrollment Check (EPCT)

- Most important check; released first to make sure system is working correctly and to allow districts to focus on funding impact
- Districts will have at least until end of August to resolve conflicts, possibly longer
- Additional checks will be released in coming weeks

EPCT, cont.

SSID reported with more than 100% of time

- Records with overlapping dates within the school calendar
 - Based on the latest calendar start date and earliest end date for each district

No conflict for overlaps where percent does *not* exceed 100 for certain How Received codes

 Assumes overlap acceptable as long as percent does not exceed 100
Example – JVS satellite student

Excludes How Received 'E', 'F', 'G', 'N'

Use Student Detail conflict grid to

Identify enrollment issues more easily

Be proactive in resolving errors ahead of Level 2 validations

Conflict Effective Dates	Student total percent of time is greater than 100 11/05/2014	% (EPCT)
Reporting Agency	Temple Ex Village (047092)	Lumber City City (043679)
SSID	HB1097476	HB1097476

Date Range	08/20/2014 - 05/28/2015	08/20/2014 - 05/28/2015
Percent Of Time	48	80
Admission Date	08/15/2008	08/15/2008

...

Resolving Conflicts

- Conflicts are resolved when corrected data is submitted to SCR
- Resolved conflicts

 Changed to include strikethrough of data
Identified conflicts will not entirely disappear; will move to Resolved column on landing page

SSID	First Name	Last Name	Birth Date	Conflict Code	Relationships
WF2496364	Corey	Sparks	2005-12-02	©-MISE	Auburn Kinderlou City (749026) Auburn Kinderlou City (749026)

SCR Refresh Process

- Districts submit new data
- SSDT processes submissions daily in the early evening
- Checks revalidated to see if any new conflicts exist or if any prior conflicts were resolved
- Districts will see updates the next day

Future Checks

- Sent to IRN conflict
- Received from IRN conflict
- Withdrawn to IRN conflict
- Admitted from IRN conflict
- Overlapping enrollment
- Missing enrollment

Reminder

- If another district reports a student as enrolled before your withdrawal date, unless attending at your district during overlap, SCR information may be used as supporting documentation to change your withdrawal date
- Up until now, SCR History has been usedMaintain documentation

FTE RETAIL REPORT

About the Report

- The FTE Detail report includes only the students who generate funding for your district
- Students reported with a Withdrawal Reason of 81 are not included
- Students who are included
 - District Relationship of 1
 - Sent to Reason of CE

About the Report, cont.

- Each student will have at least one row of data
 - Based on Effective Start and End dates on calculated FS/FD range
- Uses most recent data submitted to ODE

Example of FTE Detail Report

This example is for a traditional district

The community school report also has a column for adjusted FTE

Validation Exception Report - for End of Year Student Collection (FY15)

Calendar Determination

- Each row of data on the FTE Detail report will be assigned a calendar
 - Some students may have more than one row due to multiple FS or FD records
- To determine the calendar, we look at the following elements
 - Attendance Pattern
 - Grade Level
 - Building IRN
 - District IRN

Calendar Determination, cont.

- First, we look for an exact match at the reporting district
- If no match is found, Attendance Pattern is dropped
- If no match is found, Grade Level is dropped
- If no match is found, Building IRN is dropped
- If no match is found, the state default calendar is assigned (999999-99999-**-**)

Calendar Determination, cont.

If the reporting district is a JVSD or ESC

- First, we look to see if there is an exact match reported by the JVSD or ESC
- If no match is found, then we look for an exact match at a unique location IRN
 Location IRN is taken from the Course Master
- If no match is found, then we drop Attendance Pattern, then Grade Level, then Building IRN, then default to state calendar

Calculating Base FTE

- Base FTE is calculated from the reported data; it does not include adjustments
- A base FTE is calculated for each row on the report
 - Students with multiple rows have multiple FTEs
 - Total FTE across all rows for a student should not be greater than 1.000000
- Students with Sent to Reason of CE will have their percent of time set to 100 for the calculation

Calculating Base FTE, cont.

Grades KG – 23

ENROLLED HOURS X PERCENT OF TIME

CALENDAR HOURS

Preschool

ENROLLED HOURS

CALENDAR HOURS

FTE Fund Pattern Codes

An FTE Fund Pattern Code is assigned to each row of the FTE Detail Report

Each student can be linked to a line item on the payment report through the FTE Fund Pattern Codes, thus allowing the two reports to be reconciled

> A crosswalk showing these links will appear as an appendix to the FTE Detail Report Explanation

FTE Fund Pattern Codes, cont.

- This is a partial list and includes the most commonly assigned codes
- A complete list will be included in the FTE Detail Report Explanation

сомм	Community School Student
CTCR	Contract Career Tech - Community School to Resident District
СТУС	Contract Career Tech - JVSD and District to District
KGTO	Kindergarten Tuition - Open Enrolled
KGTU	Kindergarten Tuition
NFRG	PK, non-special ed, no ADM funding
OJVD	Open Enrolled - direct to JVSD - Non-Jointure
OJVR	Open Enrolled - JVSD - Counted in Resident
OPDD	Open Enrolled - District to District
OPID	Open Enrolled - JVSD via intermediate district - Non-jointure
RGJV	Regular/Other District and Regular JVSD
SPCO	Special Ed Co-Op
STEM	STEM District Student

FTE Fund Pattern Codes, cont.

- FTE Fund Pattern Codes are assigned based on both reported and derived data
- This is a sample; the complete table will be included with the FTE Detail Report Explanation

Fiscal Year	FTE Fund Pttrn Code	Enrl Reason Code	LDR Flag		Org Type	Grade Span Code	Preschool Transfer Flag	KG Tuition Flag
2015	COMM	М	Ν	Ν	6	KG	N	Ν
2015	KGTO	9	N	N	1	KG	N	Y
2015	PSET	G	N	N	23	PS	Y	N
2015	RGJV	*	Y	Ν	1	AN	N	Ν
2015	RGJV	7	Y	N	1	LE	N	N
2015	RGJV	7	Y	Ν	1	AN	N	Ν
2015	RGJV	С	Y	N	1	LE	N	N
2015	STEM	К	N	N	60	AN	N	Ν

FTE Fund Pattern Codes, cont.

- The default FTE Fund Pattern Code is '****'
- If the default code is assigned to a row of data on your report, there is an issue
 - Verify you are reporting the student correctly; focus on the data shown in table on previous slide
 - If you are reporting correctly, submit a helpdesk ticket to your ITC as a new FTE Fund Pattern Code may be needed

FTE Adjustments

The following adjustments are made to the Base FTE where applicable

- > 105 Hour Rule students reported by a district with zero attendance and Withdrawal Reason '76'
- Where the total FTE is greater than 1.00
- Overlapping dates, valid concurrent enrollment when FTE exceeds 1.00
- Overlapping dates, invalid concurrent enrollment
- E-Schools exceeding their cap amount

Future Enhancements

Future Enhancements

- Subgroup weighted funding
- Scholarship students
- Preschool students
- There will be four reports
 - FTE Detail Report includes all students generating FTE
 - FTE Inactive Report includes students not generating FTE
 - Adjustment Report includes all adjustments made to a student's FTE
 - Summary Report

HQT REPORT

HQT Report

Will be made available as a Level 2 report in the Initial Staff/Course (L) collection

First Staff and Course Collection (FY15)

Level 2 validation exceptions are listed by exception category and severity. To generate the exception report for one category and/or severity click the link in the corresponding row and column.

Exceptions Category	Fatal	Critical	Warning	Info	Total
(HQTA-001) HQT	<u>3</u>	0	<u>93</u>	<u>977</u>	<u>1073</u>
Total Counts:	<u>3</u>	0	<u>93</u>	<u>977</u>	<u>1073</u>

Generate Full Validation Report

One report incorporating all previous reports
HQT_ALL
HQT_YES
HQT_NO

- In prior years, the HQT_ALL report only included courses evaluated for HQT
- This year, the new HQT report includes all courses evaluated and not evaluated

Severity Codes and Descriptions

- Fatal (F) HQT incorrectly reported as 'I-not evaluated'; ODE sets HQT Value to 'N'
- Critical (C) HQT reported as 'N'; confirm that 'N' is accurate
- Warning (W) HQT reported, but course is not evaluated; ODE sets HQT Value to 'I'
- Informational (I) Course not evaluated for HQT and HQT Value correctly reported as 'I'

HQT Value

- Derived from option reported in HQT element (CU100)
- >Options 1 9 meet HQT
- All other options do not meet or do not need to meet HQT

HQT Flag

- Y Teacher is Highly Qualified
- N Teacher is Not Highly Qualified

CTE REPORT

Four CTE Reports

►CTE-000 CTE FTEs by Student Enrollment CTE-001 CTE Student Issues ►CTE-002 CTE Course Issues ►CTE-003 CTE Staff Issues

CTE-000 Report

Shows student's *potential* CTE FTE and *actual* CTE FTE

- If potential does not equal actual, an error code will be assigned to indicate the type of error
- » If there are no issues, the indicator be '***'
- If there are issues, the indicator will show exactly which error report contains the issue (e.g., *2*, 12*, 123, etc.)
CTE-000 Report, cont.

- A funding date range will be on each line of the report
 - Start date is based on the later of GN course enrollment start date, FS admission date, FS/FD effective start date, or CN course start date
 - End date is based on the earlier of GN course enrollment end date, FS/FD effective end date, or CN course end date
- CTE funding is based on the same FTE Fund Pattern codes as used on the FTE Detail report

CTE Error Reports, 001-003

- Will be rolling in error checks over the next several weeks
 - Starting with the most common based on last years data
 - Continue to work on cleaning errors up through the close of Final Staff/Course collection (end of August)
 - Level 2 reports will update twice a week in the beginning with the plan to eventually update daily

Error Check Codes

New error checks are replacing the old CTE error codes on Error Reports 001-003

001 Erro	00	002 Error Codes			003 Error Codes			Old Error Codes

NALID CEBT BEBORT

Invalid Cert Report

- Position Code and Assignment Area do not impact the proper cert flag
- Credentials missing teaching fields
 - Impacts credentials renewed in first half of 2014
 - Not all credentials require teaching fields
 - Compare previous license to current license in Educator Profile
 - Request assistance via helpdesk

Invalid Cert Report, cont.

- Two part checks likely will not be working until after the Initial Staff/Course Collection is closed
 Will only change things from N to Y, never from Y to N
- Most common two part check situations asked about in HD
 - PK SE where the teacher has an Intervention Specialist and an Early Childhood
 - Teachers who have Adolescent to Young Adult Licenses with a Middle Grades Endorsement and are teaching grades below 7

TGRG, K3 **MEASURE, AND** RETENTION

Third Grade Reading Guarantee

- Follow EMIS Manual reporting instructions
- Report diagnostic results for
 - Reading (KG-3), Math (1-2), and Writing (1-3)
 - All students enrolled 30 or more days, including any new students enrolled during the year
 - Initial diagnostic results, even if re-assessed throughout the year
- Students with the most significant cognitive disabilities are exempt from TGRG
 Report "EX" for diagnostic result

TGRG, cont.

- Reading Improvement Monitoring Plan (RIMP)
 - Required for students not on-track in reading
 May also be used with on-track students needing additional help with reading
- RIMP Intervention Program Codes
 - Only reported for students on a Reading Improvement Monitoring Plan

TGRG, cont.

Report Grade Level Next Year (FN080) of "03" for students who don't meet OAA cut score (394) by end of 14/15 school year unless

- TGRG Alternative Assessment promotion score met
- Previous retention in any K-3 grade AND 2 years intensive reading remediation documented
- Reading diagnostic score reported as "EX"
 Alternate Assessment scores not included
- IEP indicates TGRG retention exemption

TGRG, cont.

Retained Status (FN070) is reported at the beginning of the 15/16 school year

- Retained status options A-L must be reported for all students who did not meet 14/15 Grade 3 OAA cut score 394
- If student is retained for multiple reasons (including TGRG), report the most appropriate TGRG retention status option

K-3 Literacy Measure

- Measures whether a school district or building is making progress in improving K-3 literacy
 - Uses results from K-3 fall reading diagnostics and the Grade 3 Reading OAA
 Alternate Assessment scores are not used
- Calculations rely on "Majority of Attendance" rules

K-3 Literacy Measure, cont.

- Focuses on students not on-track with the fall reading diagnostic and follows to the next school year diagnostic looking for improvement to ontrack status
- Also identifies students never on a RIMP, or removed from a RIMP, who did not score proficient (400 or greater) on OAA by end of grade 3
 - Will cause a demotion in improvement percentage
 - Decreases the overall numerator by one student

K-3 Literacy Measure, cont.

- A single improvement percentage is assigned as the K-3 literacy grade for each district
- TGRG retention will also appear on the Local Report Card

How many 3rd graders met Reading Guarantee requirements for promotion to 4th grade

See K-3 Literacy Improvement documentation
