Where Kids Count (WKC)

Where Kids Count (WKC) IRN

Assignment is based on the Majority of Attendance (MOA) IRN and other relevant data reported by the district

  - Typically, MOA IRN used when determining where student will count for % proficient, performance index and attendance rate report card calculations
  - As in past years, specific enrollment and subgroup coding will override the MOA IRN
  - Enrollment and subgroup information will be taken from the March 31 FS and FD records, assuming student was enrolled on that date
