Regardless of your answer, your spouse must have his/her employer, or your spouse himself/herself if self-employed, complete the Employer Information on the reverse side.

The District/Entity requires that if your spouse is eligible to participate in group health insurance and/or prescription drug insurance through his/her employer, the spouse must enroll in such employer-sponsored group insurance coverage(s). Any spouse who fails to enroll in any such group insurance coverage, as required by this Section, shall be ineligible for benefits under such group insurance coverage sponsored by the District/Entity.

The information contained in this Certification will be utilized in making determination regarding your spouse's eligibility to receive benefits through the District's/Entity's group medical and prescription drug insurance coverage.

Please note it is your responsibility to advise the District/Entity immediately (and no later than 30 days after any change in eligibility) if your spouse becomes eligible to participate in group health insurance and/or prescription drug insurance sponsored by his/her employer after the date you submit this Certification. Upon becoming eligible, your spouse must enroll in such insurance(s) and upon such enrollment by your spouse, the District's/Entity's group insurance will become the secondary payer of benefits.

If you submit false information in this Certificate or fail to timely advise the District/Entity of a change in your spouse's eligibility for employer-sponsored group health insurance and/or prescription drug insurance, and such false information or such failure by you results in the provision of benefits to which your spouse is not entitled, you will be personally liable for reimbursement of benefits and expenses, including attorneys' fees and costs. Any amount to be reimbursed by you may be deducted from the benefits to which you would otherwise be entitled. In addition, your spouse will be terminated immediately from group health insurance and/or prescription drug insurance coverage provided by the District/Entity.

If you submit false information in this Certification, you may be subject to disciplinary action by the District/Entity, up to and including termination of employment.
